

March 19, 1979

LR 24 and 27
LB 203, 508, 559, 575

203 to General File with amendments. 575 to General File with amendments. 508 indefinitely postponed. Signed Senator Kremer, Chairman.

Mr. President, your committee on Appropriations whose Chairman is Senator Warner to whom we referred LB 559 instructs me to report the same back to the Legislature with the recommendation it be advanced to General File with amendments.

Mr. President, Legislative Resolutions 24 and 27 are ready for your signature.

PRESIDENT: While the Legislature is in session and capable of doing business, I propose to sign and I do sign Legislative Resolution 24 and Legislative Resolution 27.

CLERK: Mr. President, I have a communication from the Governor addressed to the Clerk. (See Page 966 of the Legislative Journal.)

Mr. President, pursuant to statutory provision the Department of Roads has supplied me with the current Nebraska roads and street maps. It will be on file in my office.

Mr. President, Senator Johnson asks unanimous consent to be excused Tuesday, March 20.

PRESIDENT: No objection. So ordered. The Chair recognizes Speaker Marvel.

SPEAKER MARVEL: Mr. President, Senator Rumery has an announcement he wishes to make, and I think this would be the appropriate time.

PRESIDENT: Alright, the Chair recognizes Senator Rumery.

SENATOR RUMERY: Mr. President and members of the Legislature, those of you who have been in here four or five years will recall that Senator Maresh introduced a bill in 1974 that allowed the soybean producers to provide for a bit of money that was to be reduced from the sales of soybeans, and it was known that the money was to be used for research work and for promoting soybean market throughout the world. The pages will deliver you an announcement that you can read at your leisure, but the announcement was made at that time that Nebraska did not have a soybean variety that was developed in this state, one that was...
